

Easter Revision

2017

Dear Year 11 Students

Below is the programme for Easter. Please note that these are not drop in sessions, you must arrive at the time stated and for the full session. Many subjects will be divided into different sessions with a variety staff so you may not necessarily have your usual classroom teacher. The important thing is that you follow the instructions on this sheet and that you follow all instructions on the day. You also need to be aware that there will be no access to the main school (except for Art on the Monday) due to extensive building and ICT work. All no entry signs must be adhered to.
